Welcome to McCain's Bakery & Cafe

We opened in September 2008 with the plan to provide freshly prepared breakfast, lunch and baked goods to the Village of Salado and Bell County, frequent visitors and friends as well as weary I-35 travelers.

We prepare all our food fresh when ordered. Our goal is to serve you as quickly as possible. We are not a fast-food restaurant so time will depend on how many orders are ahead of yours so please be patient with us when we are busy. We are also human and occasionally make mistakes, but we can't correct them if we don't know so please let us know if something is not how you ordered. We do welcome special orders, but please be aware changes can and will slow down an order. Some changes or substitutions will be at an additional charge.

Our servers work hard to get your food to you as soon as it is ready. They are not cooking but will be checking on your order.

Please sit back, relax and enjoy. We are very glad you are here!
